## Description

The ATLAS OPTI GRIP 341 glove has a seamless knit nylon with a lighter, more flexible crinkle finish natural latex palm. It provides the wearer max flexibility and tactile sensitivity without sacrificing the protection and durability that made our ATLAS<sup>®</sup> family of products famous. ATLAS OPTI GRIP 341 is the future of lighter, more flexible Atlas hand protection.

## Recommendations

- Do not use in cases of heavy chemical exposure, electrical or thermal risk
- Store away from light & humidity
