NORTH PANCAKE

P100 and P

P100 Organic Vapors, Acid Gases & Ozone Odor Relief

One filter does it all. The 75FFP100NL provides odor relief from nuisance levels of organic vapors, acid gases and ozone, ideal for work places where there is a combination of vapors and gases. Provide your workers with the odor relief they desire without sacrificing your budget.

Tested for odor relief from nuisance level of the following contaminants:

- Carbon Tetrachloride (Organic Vapors)
- Sulfur Dioxide
- Hydrogen Sulfide
- Chlorine
- Chlorine Dioxide
- Hydrogen Fluoride
- Ozone

North's Pancake filters really stack up with a low profile. These P100 filters are specifically designed to fit under most respirator faceshields, including the latest generation of narrow field of view faceshields. They are flexible enough to fit in even the tightest spots, yet they perform negative pressure user seal checks.

Series Filters

100 with nuisance level odor relief

design and low resistance. Under welding helmets and low shell helmets. They are still firm enough to easily

Stack Pack

An optional adapter allows you to use North's Pancake as a pre-filter on North cartridges. Perfect for extremely dusty environments where you need P100 protection. Change the Pancake filters as frequently as needed and retain the chemical cartridges until cartridge change-out. The Stack Pack from North contains one pair of adapters and 5 pair of 75FFP100 filters.

Features	Benefits
P100	• 99.97% filter efficiency for protection against dusts, mists and fumes
Low Profile	• Fits under welding helmets and faceshields
Flexible	• Bends to accommodate even the tightest spots
Low breathing resistance	• Less worker fatigue, more productivity.
Fits North APR facepieces	• No adapters needed. Fits directly onto North half masks and full facepieces.
Adapter for North cartridges	• Converts the Pancake filter into a pre-filter for North APR cartridges*. • Allows workers to change filters frequently without costly changes of the chemical cartridge before breakthrough.
Nuisance Odor Relief for organic vapors, acid gases and ozone	• One filter for nuisance level organic vapors, acid gases and ozone. • Reduces inventory. • Provides the odor relief your workers desire
Longer Service Life for Odor Relief	• Get hours of relief from nuisance odors

* Not approved for use on the North Defender®, 75SC

Applications requiring P100 protection	75FFP100	75FFP100NL for nuisance level odors (Below the PEL)	Chemical Cartridge with Stack Pack (Above the PEL)
Mild Steel Welding	X		
Alloy Welding (aluminum, stainless, galvanized)	X	X	N75001 (organic vapor)
Welding exotic steel (beryllium, titanium)	X	X	N75001 (organic vapor)
Metal Pouring	X		
Grinding – Sanding	X		
Mineral Processing, Coal, Iron Ore	X		
Coating Applications	X	X	N75001 (organic vapor)
Construction (lead & silica exposure)	X		
Brazing, Soldering	X		
Pharmaceutical Manufacturing	X	X	N75001 (organic vapor)
Foundries	X	X	N75003 (organic vapor & acid gas)

NOTE: This is a general guide and does not replace a complete site assessment to determine the appropriate respiratory protection.

Part #	Description
75FFP100	P100 Particulate Filter
75FFP100NL	P100 Particulate Filter with odor relief from nuisance level organic vapors, acid gases and ozone
7535FFP100	Stack Pack / Contains 1 pair of N750035 adapters, 5 pair of 75FFP100 filters and instructions
N750035	Adapter for 75FFP100 filter
