WEIGHT LOAD RATED:
Third party certified to
haul up to 150 pounds
with or without the
safety top (#5738).

ARSENAL® TOUGH:
Materials and
construction are tested
rigorously to ensure
they hold up even in the
harshest of environ-
ments.

STORAGE SECURITY:
Lift bucket and
safety top combination
help prevent dropped
tools and equipment.

QUICK ON/OFF:
Secures contents fast
and effectively, with
best in class YKK buck-
les, at any altitude.

PATENT PENDING:
Design found only
through Ergodyne's
network of authorized
distributors.
